About this Financial Services Guide

Issued: 30 March 2026

Choosi Pty Ltd (ABN 15 147 630 886; AFSL 402397) is a related company of Greenstone Financial Services Pty Ltd (ABN 53 128 692 884; AFSL 343079) (GFS).

This Financial Services Guide (FSG) is issued by Choosi Pty Ltd ('we', 'us', 'our' or 'Choosi'), and is an important document designed to help you make an informed decision on whether to use the financial services we provide in relation to the insurance products available for sale through us.

You should retain this document along with the Product Disclosure Statement (PDS) of any product you decide to purchase in a secure place for future reference.

The aim of this FSG is to provide you with information on the financial services we may provide, how we're remunerated for these services, what to do if you have a complaint, and how we can be contacted.

Where required by law, we'll also provide you with access to the relevant PDS from the insurance provider. The PDS contains information about the benefits and significant characteristics of the relevant product and is aimed to assist you in making an informed decision whether to buy it or not. Before you acquire a product, you should read the PDS carefully and use it to decide whether to purchase the product.

Financial services provided by us

We're an Australian Financial Services Licensee (no. 402397) authorised to deal in and provide general advice in relation to general and life insurance products.

We provide general advice only in the form of a comparison of a range of insurance products.

You can obtain quotes and information about a policy through our website or over the telephone with a Choosi call centre operator. We'll provide quotes and comparison services in relation to life insurance, funeral insurance, income protection insurance, car insurance, home and contents insurance, and business insurance policies. Choosi's comparison is limited to those products it is authorised to compare and distribute. The full list of policies that we are authorised to compare and distribute, is available on our website.

You can also purchase some policies online or over the telephone. These services are limited to life insurance, funeral insurance, and income protection insurance for the products that are on our Approved Products List, which is available on our website. When you apply for a quote or purchase an insurance policy through us, we'll give you information about the product and we'll collect certain information from you in order for insurers to determine whether to provide you a quote or a policy.

Should you decide to purchase a policy, we'll be the arranger of your insurance and the relevant insurer will be the product issuer.

The car insurance and home and contents insurance products we compare are hosted and managed by Compare the Market Pty Ltd (ACN 117 323 378; AFSL 422926) (CTM). If you choose to purchase these products, we'll refer you to CTM.

The business insurance products we compare are issued and distributed by BizCover Pty Ltd (ABN 68 127 707 975; AFSL 501769) (BizCover). If you choose to purchase these products, we'll refer you to BizCover.

We don't act on your behalf in providing the above financial services.

Products available through us

We don't provide information on all products available in the market and there may be aspects of each product that we don't compare. We don't consider whether a product is appropriate to your personal objectives, financial situation, or needs. Therefore, you need to consider the appropriateness of any information given to you, having regard to your personal circumstances before buying an insurance product. You need to read the relevant PDS to determine if the product is right for you. If you require personal advice, you need to obtain the services of a suitably qualified adviser. In some cases our comparison may be limited to products from a single product issuer and, where this is the case, we will inform you.

A full list of brands that we are authorised to compare and distribute, is listed on our website or is available upon request. We can arrange some products directly online or over the phone, or (where requested by you) we'll refer you to a third-party adviser to arrange your insurance.

Relationships

We're a related company of GFS, which is authorised by the relevant insurers to distribute each of the products directly available through us. GFS receives commission income from the product issuer for the placement and, where relevant, ongoing administration of your policy.

Remuneration

As issuer of the product, the relevant insurer is paid the premium for an insurance policy if you purchase it. The commission we receive varies by the type of financial product sold and who the provider of the product is.

With regards to life insurance, income protection insurance and funeral insurance products, we're paid a commission when we arrange for you to purchase a policy through our website or through our call centre, or when you purchase a product as a result of a referral. If you purchase a product directly available through us, GFS and Choosi collectively receive a commission of up to 63.80% of the premiums, which is shared between the parties.

CTM pays a referral fee to Choosi of up to \$90 for each policy sold by CTM as a result of a referral.

BizCover pays a referral fee to Choosi of up to 13% of the premium charged by the insurer (excluding taxes) for all policies sold by BizCover as a result of a referral.

In each case, the commission paid to us is part of the cost of the insurance policy and it doesn't affect the price that you pay.

All Choosi employees are paid on a salaried basis and some may receive bonus payments related to performance. No staff member at Choosi receives a direct financial or non-financial incentive from the insurers that we partner with. We have practices in place to ensure the conflicted remuneration requirements as set out in the Corporations Act 2001 (Cth) are adhered to.

Our complaint resolution process has three steps.

1. Initial Response

Usually when you have a complaint, we will try to resolve it immediately on the phone. If we cannot resolve your complaint to your satisfaction straight away, it will then be referred to our independent Internal Dispute Resolution (IDR) Team. The IDR Team will acknowledge receipt of your complaint within 1 business day where reasonable and will review the matter in detail.

2. Internal Dispute Resolution

The IDR Team will continue to assess your complaint and, after full consideration of the matter, will provide you with a written final response within 30 days. This response will outline the decision reached and the reasons for that decision.

3. External Dispute Resolution

In the unlikely event that your complaint is not resolved to your satisfaction by the IDR Team, or a final response has not been provided within 30 days, you may be eligible to refer your matter to the Australian Financial Complaints Authority (AFCA) provided your matter is within scope of AFCA's Complaints Resolution Scheme Rules.

AFCA is an independent dispute resolution service provided free of charge.

Compensation

As required by the Corporations Act 2001 (Cth), we have Professional Indemnity Insurance in place, which will compensate our retail clients for loss suffered as a result of a breach by us of our relevant obligations under Chapter 7 of the Corporations Act. The insurance covers the activity and conduct of our employees, including any employees who are no longer employed with Choosi but were so at the time of the relevant conduct.
