This is a Supplementary Financial Services Guide (SFSG) that supplements and is to be read together with the Financial Services Guide (FSG) contained in the combined Product Disclosure Statement, Policy Terms and Conditions and Financial Services Guide booklet for the following products:

Combined Policy Booklet	Preparation Date
Guide Dogs Pet Insurance Basic, Comprehensive and Premium Care	13 September 2021

The Hollard Insurance Company Pty Ltd (effective 14 October 2021) and PetSure (Australia) Pty Ltd (effective 26 November 2021) were provided with a claims handling and settling authorisation to their respective licences. This SFSG remains valid until replaced by a subsequently issued FSG.

This SFSG was prepared on 23 February 2022.

The following sections about **Hollard** and **PetSure** under the heading **About GFS, Hollard, PetSure, Guide Dogs and other relevant persons/organisations** on page 67 of the Policy Document, have been deleted and replaced as follows:

**Hollard** is an Australian Financial Services Licensee (AFSL 241436) authorised to provide advice and deal, as well as provide claims handling and settling services, in relation to all general insurance products. Hollard is the insurer and issuer of Guide Dogs Pet Insurance policies. In providing the financial services set out in this FSG, Hollard does not provide personal advice and does not act for you. Only Hollard can issue, vary and cancel Guide Dogs Pet Insurance policies, which it does through an arrangement with PetSure, explained below.

**PetSure**, a related body corporate of Hollard, is an Australian Financial Services Licensee (AFSL 420183) authorised to provide general advice and deal, as well as provide claims handling and settling services, in relation to general insurance products. PetSure administers Pet insurance policies on behalf of the insurer Hollard and determines, on behalf of Hollard, whether a policy can be issued to you by Hollard. PetSure has been given a binding authority by Hollard which authorises it to enter into, vary and cancel these policies on behalf of Hollard as if it were Hollard. PetSure's authority is subject to the limits of authority agreed with Hollard.

The PDS describes the main features and benefits of the Guide Dogs Pet Insurance policy. Any information contained in the PDS is general information only and does not take into account your individual objectives, financial situation or needs. Before acting on this general information, you should consider the appropriateness of the general information having regard to your individual objectives, financial situation and needs.

## ► Frequently Asked Questions

Information about insurance coverage in this section is a summary only. You should read the Combined PDS, Policy Terms and Conditions and FSG for full details of the policy Terms and Conditions, Waiting Periods and exclusions.

### **What levels of Cover are offered by Guide Dogs Pet Insurance?**

Guide Dogs Pet Insurance offers three different levels of Cover that you can choose from. The following three levels of Cover are set out in this Combined PDS, Policy Terms and Conditions and FSG:

- **Basic Care:** Specified Accidental Injury and Illness Cover with an overall annual Benefit Limit of \$15,000 and a Benefit Percentage of 75%. This means you can receive up to 75% back for eligible Vet Expenses.  
**Note:** Sub-limits apply for certain items.
- **Comprehensive Care:** Specified Accidental Injury and Illness Cover with an overall annual Benefit Limit of \$15,000 and a Benefit Percentage of 80%. This means you can receive up to 80% back for eligible Vet Expenses.  
**Note:** Sub-limits apply for certain items.
- **Premium Care:** Specified Accidental Injury and Illness Cover with an overall annual Benefit Limit of \$20,000 and a Benefit Percentage of 85%. This means you can receive up to 85% back for eligible Vet Expenses.  
**Note:** Sub-limits apply for certain items.  
**Optional:** Routine Care is an optional extra which is available on this plan and provides a contribution towards a range of preventative health Treatments up to the Routine Care limits.

## **What percentage of my Vet Expenses am I covered for?**

We will reimburse you the Benefit Percentage selected by you which will be shown on your current Certificate of Insurance.

For example, for a 75% Benefit Percentage we will reimburse you up to 75% of the eligible Vet Expenses (Excess, Benefit Limits and Sub-limits may also apply). The applicable Excess will be deducted from your benefit amount.

**Note:** For examples of how claim benefits are calculated, please see page 61.

## **What Waiting Periods apply?**

The Waiting Periods that apply are:

- 30 days for Conditions covered under ‘Section 2.2 – Illness Cover’; and
- 6 months for Cruciate Ligament Conditions (may be waived on application, refer to ‘Waiting Period’ section on page 41).

**Note:** There is no Waiting Period for Specified Accidental Injury Cover (except Cruciate Ligament Conditions), which will be covered from 11:59pm on the Commencement Date of the First Policy Period.

## **What exclusions exist?**

As with most insurance products, there are certain situations in which you will not be covered. There are some general exclusions such

as Pre-existing Conditions, dental procedures, fractured teeth, routine or preventative Treatments (unless Routine Care cover is purchased, which provides a contribution up to the Routine Care limits), some Elective Treatments and procedure and breeding or obstetrics. There may also be specific exclusions which may apply to specific levels of Cover.

It is important that you read all of your policy documentation for full details (including ‘Section 2 – Your Cover’, ‘Section 3 – Additional benefits’, Section 4 – Optional Benefit’, your Certificate of Insurance and ‘Section 5 – General Exclusions’).

## **What is a Pre-existing Condition?**

If any Condition existed or occurred prior to the Commencement Date of the First Policy Period or within any applicable Waiting Period, and you or your Vet were aware of the Condition, or a reasonable person in your circumstances would have been aware of the Condition, then it may be considered to be a Pre-existing Condition and excluded from Cover. This is the case, irrespective of whether the underlying or causative Condition was diagnosed at the time.

Whether such a Condition is a Pre-existing Condition will depend on its nature and experience. Outside of any applicable Waiting Period, if your Pet has a Temporary Condition that is considered to be a Pre-existing Condition (because it occurred or

existed prior to the Commencement Date of the First Policy Period, or during any applicable Waiting Period, but that Condition has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date), it will no longer be excluded from Cover as a Pre-existing Condition.

Chronic Conditions and several other specified Conditions cannot fall within this category. Hereditary Conditions and congenital Conditions will also not be considered a Pre-existing Condition if they have not shown noticeable signs, symptoms or an abnormality at any time before the Commencement Date of the First Policy Period or during any applicable Waiting Period.

# ▶▶ Pre-existing Condition claim examples:

## Examples of pre-existing Temporary Conditions that are covered

1. Prior to the Commencement Date of the First Policy Period, your Pet has a case of gastroenteritis due to some dietary indiscretion. This Illness Condition is treated and your Pet recovers. You then purchase a pet insurance policy. Two years later, your Pet has another unrelated case of gastroenteritis.

Your claim would be eligible for benefits because:

- the first gastroenteritis episode was a Temporary Condition, given that it normally resolves with Treatment and is not on the list of excluded Conditions in that definition;
- there was more than an 18-month gap between the Conditions;
- the second episode of gastroenteritis was not a Related Condition; and
- the Condition was not specifically excluded in the PDS.

2. Your Pet had a case of demodectic mange 18 months prior to the Commencement Date of the First Policy Period. This Illness Condition is resolved after your Pet receives Treatment. Two years into the policy, your Pet contracts another case of demodectic mange.

This claim would be eligible for benefits because:

- the first Condition was a Temporary Condition that is normally resolved with Treatment and is not on the list of excluded Conditions in that definition;
- your Pet did not have demodectic mange, or show any noticeable signs, symptoms or abnormality in relation to that Condition for more than an 18-month period; and
- the Condition was not specifically excluded in the PDS.

**Examples of  
pre-existing  
Chronic  
Conditions that  
are not covered**

1. Your Pet is limping and is diagnosed with a grade two luxating patella (dislocating kneecap) within the applicable Waiting Period of the policy. Your Vet prescribes anti-inflammatory medication. This claim is not covered, because you and your Vet became aware of the Illness Condition within the 30-day Waiting Period for this Condition.

Two years later, your Pet requires surgery for the patella luxation. This Condition is excluded from Cover because:

- you and your Vet first became aware of the Condition in the applicable Waiting Period;
- the Condition (patella luxation) is not a Temporary Condition, as it is specifically excluded from that definition; and
- as a result, it remains a Pre-existing Condition two years later.

2. Your Pet has had recurring seasonal allergies every spring and summer since it was two-months old. This Illness Condition recurs for a period greater than three months. You purchase a pet insurance policy and two years later make a claim for another round of allergy Treatment.

Your claim would not be eligible for benefits because:

- the Condition is a Pre-existing Condition, given that you were aware of it prior to the Commencement Date of the First Policy Period;
- your Pet's seasonal allergy condition is not a Temporary Condition, as it is specifically excluded as a Chronic Condition. This is because it was long-lasting, recurring and affected your Pet for a period greater than three months; and
- as a result, it remains a Pre-existing Condition two years later.

## What is a Temporary Condition?

A Temporary Condition is a Condition, which normally resolves with Treatment and which is not on the list of excluded Conditions in that definition. If your Pet has a Temporary Condition that is considered a Pre-existing Condition because it occurred or existed prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period, but the Condition has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period prior to your claim Treatment, it will no longer be excluded from your policy as a Pre-existing Condition. Refer to the 'Temporary Condition' definition in 'Section 1 – Definitions' on page 38 for more information.

## What is a Chronic Condition?

A Chronic Condition is long-lasting or recurring in its effects and affects (or is present in) a Pet over a period greater than three months in total. Chronic Conditions may also be intermittent or managed with medication and/or prescription diets with intervals of remission. If your Pet has a Chronic Condition that occurred or existed prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period, it will always be excluded from your policy as a Pre-existing Condition.

**For example:** Your Pet first showed signs of diabetes and has been receiving ongoing Treatment for four months immediately prior to the Commencement Date of the First Policy Period. Diabetes is considered:

- a Pre-existing Condition because it occurred before the Commencement Date of your First Policy Period; and
- a Chronic Condition as it lasted in total for more than three months.

Therefore, all expenses incurred for diabetes or related to diabetes will not be covered.

## What is a Bilateral Condition?

A Bilateral Condition is a Condition affecting body parts of which the Pet has at least two, one on each side of the body (for example, ears, eyes, knees and elbows). Bilateral Conditions will generally be covered if you have the appropriate level of Cover, and the Condition is not a Pre-existing Condition or subject to a general exclusion.

However, when applying a limit or exclusion, a Bilateral Condition will be considered a single Condition.

**For example:** If your Pet displays signs or symptoms of an ear Condition in the left ear prior to the Commencement Date of the First Policy Period or during the applicable Waiting Period, a subsequent ear infection in the right

ear will still be considered to be a Pre-existing Condition (refer to the 'Bilateral Condition' definition in 'Section 1 – Definitions' on page 34).

### **Will I have lifelong cover for my Pet?**

Once your Pet is accepted for Cover and as long as we continue to provide this product and you continue to hold the policy without a break in Cover and renew your policy, your Pet will be covered for eligible Vet Expenses for life, with Cover subject to the applicable terms and conditions of the policy for each renewal period. You can apply for Comprehensive and Premium Care Cover as long as your Pet is over eight weeks old and younger than nine years.

In order to be eligible to apply for Basic Care, your Pet must be nine years or older.

### **What is an Excess and how does it apply to my claims?**

If you choose to put an Excess on your policy, it can help reduce your premiums but it will affect the benefit you receive when you make a claim. You can find your selected Excess on your Certificate of Insurance.

Your Excess will apply per Condition, per Policy Period. For example, if your Pet has an ongoing ear Condition you will only be charged the Excess once per Policy Period. However, if your Pet then develops an eye infection, that claim will

have a separate Excess deducted. See 'Section 8.5 – Examples of how we settle your claim' for more information about how your Excess applies.

You can contact us on 1300 613 450 to discuss modifying or removing your Excess.

### **What kind of Vet Consultations can I claim under my policy?**

You can claim for Consultations in relation to Conditions covered by your policy.

This means that you can claim for Consultation fees in relation to any eligible Specified Accidental Injury or Illness Condition.

Please note that routine health checks and vaccination visits are not coverable under your policy, unless you have selected the Routine Care option, as shown on your Certificate of Insurance.

A Sub-limit applies to the Consultation fees that your Vet charges. This Sub-limit is stated on your Certificate of Insurance. When claiming for an eligible Condition, this limit only relates to the Consultation fee, and not any of the Treatments or medications your Pet may receive during the visit.

### **Are x-rays, blood tests and other diagnostic tests covered?**

Yes, you can claim for diagnostic expenses in relation to eligible Conditions covered by your policy (see 'Section 2 – Your Cover' on page 40). This means that elective or routine tests are not covered, nor are any tests related to a Pre-existing Condition or any other policy exclusion.

### **What if my claim reaches my annual Benefit Limit or Sub-limit?**

Your annual Benefit Limit and Sub-limits are the maximum benefits that can be paid to you in any one Policy Period, and are stated on your Certificate of Insurance. If you do make a large claim (or number of claims) and reach your policy limits, your policy limits will reset on the renewal date of your Policy.

See the 'Benefit Limit(s) and Sub-limit(s)' definition on page 33 for more information.

### **What are the claim requirements for adopted Pets?**

For adopted Pets, if you can provide us with proof of adoption or transfer of ownership papers, we will only request a veterinary history from the date you took ownership onwards. Refer to 'Section 8 – Claims' on page 58 for full details on how to submit a claim and required documents.

### **Can I seek pre-approval of my pet's upcoming Treatment?**

Yes. If your Pet requires Treatment and you wish to seek pre-approval of those costs, you can provide us with the itemised estimate of costs from your Vet, along with the Treatment required and relevant clinical records and/or veterinary history, and we will respond to you in writing with the outcome.

**Note:** Pre-approvals are not mandatory and not required in order to make a claim under your policy.

For more information, see 'Section 8.1 – Claim Pre-approval' on page 58.

# ▶▶ Product Disclosure Statement (PDS)

Hollard is solely responsible for the PDS and is the insurer under each Guide Dogs Pet Insurance policy issued. PetSure has been given a binding authority by Hollard which authorises it to enter, vary and cancel Guide Dogs Pet Insurance policies on behalf of Hollard as if it were Hollard, subject to the limits of authority agreed with Hollard. PetSure does not act for you. GFS is authorised to distribute and promote Guide Dogs Pet Insurance but does not issue policies and is not involved in the assessment or payment of claims.

Guide Dogs is authorised to promote Guide Dogs Pet Insurance but does

not issue policies and is not involved in the assessment or payment of claims.

This PDS contains important information about:

- significant features and benefits of Guide Dogs Pet Insurance;
- your duty to take reasonable care not to make a misrepresentation when applying for Guide Dogs Pet Insurance;
- our internal and external dispute resolution procedures; and
- your cooling off rights when purchasing Guide Dogs Pet Insurance.

Please note that, while this PDS provides a summary of the significant features and benefits of Guide Dogs Pet Insurance, you must also read the Policy Terms and Conditions in this booklet to understand the insurance provided (including what terms, conditions, exclusions and limitations may apply to your Cover).

Sometimes we need to change the wording of the policy before it is issued to you because your insurance varies depending on a number of factors. We do this by adding what is called an endorsement. You will find any endorsements that apply to your policy printed on your Certificate of Insurance.

We may need to update this PDS from time to time. We'll do this if certain changes occur, and we are required and permitted by law to do so. We will issue you with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, we may issue you with notice of this information in other forms or keep an internal record of such changes. You can get a paper copy, or an electronic copy will be made available, of any changes free of charge by contacting us using the contact details on the back of this PDS.

## Protection for your Pets

Subject to the terms, conditions, exclusions and limitations that apply to your Cover (as set out in this document), the Guide Dogs Pet Insurance policy provides:

- financial assistance for Vet Expenses in respect of the insured Pet for a Condition occurring or showing signs or symptoms of a Condition within the Policy Period and after any applicable Waiting Period and subject to any excluded Pre-existing Conditions or general exclusions; and
- Cover for eligible Vet Expenses (as well as allowing you to use the services of any Vet in Australia and, in some cases, overseas). 'Vet Expenses' are defined in 'Section 1 – Definitions' on page 39 and may be subject to stated limits, Excess and applicable Waiting Periods.

If a Condition exists or occurs before the Commencement Date of the First Policy Period or within an applicable Waiting Period, and you or your Vet were aware of the Condition, or a reasonable person in your circumstances would have been aware of the Condition, it may be excluded from Cover as a Pre-existing Condition. Whether that is the case will depend on the nature and experience of the Condition (please refer to the definition of 'Pre-existing Condition').

If your Pet has a Temporary Condition that occurred or existed prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period, but that Condition has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date, it will no longer be excluded from Cover as a Pre-existing Condition. Chronic Conditions and several other specified Conditions that occur prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period cannot fall within this category and will always be excluded from Cover.

## Understanding the limits of the insurance

Guide Dogs Pet Insurance transfers some of the financial risks Pet owners face for Vet Expenses from the insured to the insurer. However, Guide Dogs Pet Insurance does not cover every circumstance or expense and we have certain terms, conditions, exclusions and limitations like other forms of general insurance.

These include, but are not limited to, Conditions such as pregnancy, Elective Treatments and procedures, pet foods/diets and, grooming. Medical Conditions that are present or that you were aware of (or that a reasonable person in your circumstances should have been aware of) prior to the

Commencement Date of the First Policy Period or that arise during the applicable Waiting Period are considered Pre-existing Conditions and may be excluded from Cover. Pre-existing Conditions are assessed differently depending on whether they are Chronic Conditions or Temporary Conditions for your Pet. See the Pre-existing Conditions definition for more information.

Maximum monetary limits also apply to the benefits payable in any one Policy Period. These are called the Benefit Limit and can vary depending on the relevant Cover. Sub-limits for particular Conditions may also apply. See the 'Benefit Limit(s) and Sub-limit(s)' definition in 'Section 1 – Definitions' on page 33 and your Certificate of Insurance for more information.

Full details are specified in the 'Policy Terms and Conditions' (pages 30 to 65).

## Your duty to take reasonable care not to make a misrepresentation

Before you enter into this insurance with us, you have a duty to take reasonable care not to make a misrepresentation under the Insurance Contracts Act 1984 (Cth).

The duty to take reasonable care not to make a misrepresentation applies until the contract is entered into (or renewed, varied, extended or reinstated as applicable).

### **Your duty to take reasonable care not to make a misrepresentation when you enter into the contract with us for the first time**

Before you enter into this contract of insurance, you have a duty to take reasonable care not to make a misrepresentation. What that means is that you need to take reasonable care to provide honest, accurate and complete answers to any questions that we ask.

If you are not sure of the answers to any of our questions, you should take the time to find them. It is also important to understand that, in answering the questions, you are answering for yourself and anyone else to whom the questions apply. If any of our questions are not clear to you and you need help, please contact us.

### **Your duty to take reasonable care not to make a misrepresentation when you renew, vary, extend or reinstate the contract**

Before you renew, vary, extend or reinstate the contract of insurance, you have a duty to take reasonable care not to make a misrepresentation. What that means is that you need to take reasonable care to review the information included in your policy documentation (e.g. your renewal notice or Certificate of Insurance) and to inform us of any changes, where the information is no longer honest, accurate and complete.

If you are not sure if any of the information remains honest, accurate and complete, you should take the time to find out. It is also important to understand that, in reviewing the information, you are doing so for yourself and anyone else to whom the information applies.

If you need to inform us of changes to the information set out in your policy documentation (e.g. your renewal notice or Certificate of Insurance), or if any of it is not clear to you and you need help, please contact us.

If you do not contact us, we will take it that you agree that the information remains honest, accurate and complete, so it is essential that you contact us if you have any doubts.

### **If you do not comply with your duty to take reasonable care not to make a misrepresentation**

If you do not take reasonable care in answering our questions or inform us of changes to the information set out in your policy documentation, you may breach your duty. If that happens, your policy may be cancelled, or treated as if it never existed, and any claim may be denied or not paid in full.

## **Calculating your premium**

Your premium is calculated when your Guide Dogs Pet Insurance policy begins, and at each policy anniversary (and if you vary or extend Cover) and is printed on the relevant Certificate of Insurance.

The premium is calculated based on a number of factors. Some are pre-set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses). Others can affect the premium amount up or down depending upon whether we believe it increases or decreases the risk to us, such as the Cover you have chosen, including whether you have chosen Routine Care, the Excess selected, the Benefit Percentage applicable to the Cover you have chosen, the species, breed and age of your Pet and other factors related to our cost of doing business. These same factors may be used to calculate your premium when you amend your coverage.

Further information about renewal premiums, including how they are also calculated (and additional factors taken into account) can be found under 'Automatic renewal of your policy' on page 31. The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST). You can ask us for further information.

Minimum premiums and discounts/entitlements may apply, subject to certain criteria. Discounts/entitlements/premiums may be rounded up or down and only apply to the extent any minimum premium is not reached. They are also applied in a predetermined order (excluding amounts for government taxes and charges) as reduced by any prior

applied discounts/entitlements. They are applied to the base premium calculated prior to any taxes being added.

## Cooling off period

You have a full 30 days from the policy Commencement Date (or any renewal date) to make sure you are happy with every aspect of your Guide Dogs Pet Insurance policy. This is known as the 'cooling off' period. During this time, you may cancel the policy simply by contacting us. If we receive your request to cancel your policy within the 30-day period after the policy Commencement Date (or any renewal date), we will give you a refund of any monies received since commencement or renewal, less any transaction costs incurred by us, which we are unable to recover and any taxes or duties that we are unable to refund.

If you have made a claim during the cooling off period and wish to cancel during the cooling off period, then any refund will be in accordance with provisions set out in 'Section 7 – Cancellation.' After the cooling off period ends you continue to be able to cancel your policy and you have rights upon cancellation in certain circumstances under the policy.

These rights are set out in 'Section 7 – Cancellation' on page 56.

### **Financial Claims Scheme and Compensation Arrangements**

Hollard is an insurance company authorised under the Insurance Act 1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and are subject to the prudential requirements of the Insurance Act.

The Insurance Act contains standards designed to ensure that, under all reasonable circumstances, financial promises made by us are met within a stable, efficient and competitive financial system. Because of this we are exempted by the Corporations Act 2001 (Cth) from the requirement to meet the compensation arrangements Australian Financial Services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of that Act.

We have compensation arrangements in place that are in accordance with the Insurance Act. If we were to fail and were unable to meet our obligations under your policy, a person entitled to claim under insurance cover under the policy may be entitled to payment under the Financial Claims Scheme (access to the Scheme is subject to eligibility criteria). Information about the Financial Claims Scheme can be obtained from [fcs.gov.au](http://fcs.gov.au).

# ►► Policy Terms and Conditions

## The Guide Dogs Pet Insurance policy

Upon acceptance of application for your policy, you will be issued with a Certificate of Insurance that states which level of Cover you have selected. Additional and optional benefit(s) may also be provided if specified. You will be issued a new Certificate of Insurance, when:

- you renew your policy each year; or
- if you or we change your Cover.

Your policy will continue for a period of 12 months from the policy Commencement Date unless cancelled by you under the cooling

off period as explained on page 24 or cancellation provisions of the policy as explained in 'Section 7 – Cancellations' on page 56. We also have certain cancellation rights at law. For your convenience and to ensure continuity of Cover for your Pet, we will automatically renew your policy each year (unless you have opted out of automatic renewals or contact us to advise that you do not want to renew on the terms of renewal notice) for as long as we continue to provide this product – refer to the 'Automatic renewal of your policy' section on page 31.

Your policy comprises of the Certificate of Insurance, PDS, Policy Terms and Conditions, FSG and any endorsements issued by us from time to time.

## The basis on which we insure you

Subject to the Terms and Conditions of the policy, we will reimburse the Vet Expenses incurred by you as a result of a Treatment to the insured Pet for covered Specified Accidental Injury or Illness Conditions up to the specified Benefit Percentage, but subject to any applicable Benefit Limit or Sub-limit, less any Excess which may apply, provided that:

- you have paid or agreed to pay the premium to us for the Cover provided;
- the Specified Accidental Injury or Illness Condition(s) (whichever is applicable) arose during the Policy Period; and
- the Treatment occurred during the Policy Period.

Where we agree to provide Cover under the policy we rely on the representations made by you during your application for insurance.

Coverage under the policy will depend on the level of Cover you have chosen. Your Certificate of Insurance will state the plan and policy benefits applicable to your Pet.

Additional and optional benefit(s) may also be provided if specified on your Certificate of Insurance.

## Automatic renewal of your policy

We will offer renewal of your policy every year for so long as we continue to provide this product. At least 14 days prior and before your current policy expires we will send you a renewal notice confirming when your insurance will expire and the premium and terms on which your insurance will automatically renew for a further Policy Period. It will also remind you that you can opt out of the automatic renewal process and to check the limits of cover provided under the policy to see if your level of insurance cover remains appropriate for you.

Your Cover will be automatically renewed on the terms contained in the renewal notice (unless you have opted out of automatic renewals or contact us to tell us that you do not want to renew on the terms of the renewal notice) and we will deduct/charge the renewal premium from your nominated account/credit card. If the account/credit card is not yours, you confirm you have the authority of the relevant person to use it and they have agreed to these terms.

Every year, we review the cost of everyone's insurance with regards to a combination of factors as well as claims inflation across all our insured Pets. These factors include your Pet's age and breed, as well as data relating to the health of Pets that are a similar age and breed. Your premium takes into account the average cost of care for Pets like yours.

We may also change the terms and conditions of the policy upon renewal based on the risk associated with insuring Pets like yours.

**Should you renew your policy, you must tell us if the information you have previously supplied is incorrect or incomplete in order to comply with your duty to take reasonable care not to make a misrepresentation. If you do not, we may reduce or refuse to pay a claim or cancel the policy.**

## **Delivery of your policy documents and policy related communications**

Unless you tell us otherwise or we tell you it is no longer suitable we will send your policy documents and policy related communications electronically. This includes email and/or other methods of electronic communication. You will need to provide us with your current email address and your mobile phone number. Each electronic

communication will be deemed to be received by you on the transmission date recorded in our systems. Where we deliver your policy documents and policy related communications by mail in printed form all such communications will be deemed to have been successfully delivered once mailed by us to your last notified postal address.

## **Some important things you should know**

Benefits do not accumulate across Policy Periods. The policy benefits will expire at the end of each Policy Period. Your rights and duties under the policy cannot be transferred without our prior written consent. It is a Condition of Cover that your Pet must regularly reside with you and be under your regular care and supervision at the physical address you provided to us.

## ▶▶ Section 1 - Definitions

When interpreting these Policy Terms and Conditions:

- references to the singular include the plural and vice versa, and to the masculine include the feminine and vice versa;
- monetary references are in Australian dollars (AUD); and
- a reference to any legislation contained in the policy includes any amendment, replacement, re-enactment or successor legislation.

Words that are capitalised have the special meaning explained below:

**Accident** means:

- a single event which is unexpected and unintended by you; and
- is independent of any Illness or any Pre-existing Condition.

**Benefit Limit(s) and Sub-limit(s)**

means the applicable total amount payable in any one Policy Period, in relation to the relevant Cover as specified in your Certificate of Insurance (determined as follows):

- if a Sub-limit for a particular Cover, item, Condition or Treatment on an individual or per claim basis is specified to apply on the Certificate of Insurance, we will not pay more than that amount

(subject also to the following annual Benefit Limit and Sub-limits not having been exceeded); and

- we will never pay more than the overall annual Benefit Limit specified on your Certificate of Insurance.

**Note:** Benefit Limits and Sub-limits reset on renewal. The Benefit Limit is also subject to any applicable Excess.

**Benefit Percentage** means the stated percentage of each claim for eligible Vet Expenses for which we will reimburse you, subject to any applicable Benefit Limits and Excesses payable.

**Note:** The applicable Benefit Percentage will be shown on your Certificate of Insurance.

**For example:** For a 75% Benefit Percentage, we will reimburse you for 75% of the eligible Vet Expenses, subject to Benefit Limits and Excesses payable. Refer to page 61 for an example of how claim payments are calculated.

**Bilateral Condition** means any Condition affecting body parts of which the Pet has at least two, one each side of the body (e.g. ears, eyes, knees, and elbows).

**Note:** When applying a Benefit Limit or exclusion, a Bilateral Condition will be considered a single Condition.

**For example:**

1. If your Pet has had elbow dysplasia in the left elbow prior to the Commencement Date of the First Policy period or during the applicable Waiting Period, which falls within the definition of Pre-existing Condition, subsequent elbow dysplasia in the right elbow will still be considered a Pre-existing Condition.
2. If your Pet suffers from a patella luxation in its left hind leg and arthritis in its right hind leg, this is not a Bilateral Condition, as patella luxation and arthritis are not the same Condition.

**Certificate of Insurance** means the relevant certificate we provide outlining the key details of the contract of insurance between you and us, and identifying the policy number, Cover, Commencement Date, End Date, insured Pet, schedule of benefits including Benefit Limits, Sub-limits and Excess.

**Chronic Condition** means a Condition that is long-lasting or recurring in its effects and affects (or is present in) your Pet over a period that is greater than three months in total (the three-month period need not be consecutive). Chronic Conditions may also be intermittent or managed with medication and/or prescription diets with intervals of remission.

Examples include but are not limited to chronic or seasonal allergies, inflammatory bowel disease, diabetes, osteoarthritis, cancer and some autoimmune diseases.

This definition is relevant to determining whether a Condition is a Pre-existing Condition (please refer to the definitions of 'Pre-existing Condition' and 'Temporary Condition'). If a Chronic Condition is a Pre-existing Condition, it will be excluded from Cover.

**For example:**

1. Prior to the Commencement Date of the First Policy Period your Pet experienced symptoms of seasonal allergies for more than three months in total. The Condition would be a Chronic Condition; given that it is recurring in its effects. If the Condition otherwise falls within the definition of 'Pre-existing Condition' it will be excluded from coverage.

2. Your Pet showed signs of diabetes for at least three months prior to the Commencement Date of the First Policy Period. This would also be a Chronic Condition, given its long-lasting and recurring effects. If the Condition otherwise falls within the definition of 'Pre-existing Condition', it will be excluded from coverage and all expenses related to diabetes will be excluded.

**Commencement Date** means 11:59pm on the date when Cover for your Pet first started as shown on your Certificate of Insurance. Unless otherwise specified, this relates to the Commencement Date of your current Policy Period.

**Condition** means any Specified Accidental Injury, or any manifestation of an Illness.

**Consultation** and other derivations means an examination performed by or under the supervision of a Vet, including a physical consultation, inpatient examination, in-hospital examination, health certificate, consultation or recheck consultation/visit, referral/specialist consultation/visits, emergency and after hours' consultations/visits.

**Cover** means:

- the Benefit Limits, Sub-limits, Benefit Percentage, Excess and any other options applicable to the policy you have selected; and
- where relevant, the Cover applicable under any previous policies you have held with us where the same or a substantially similar or a higher level of Cover was provided in the current Policy Period.

Information about the Cover can be found in Section 2 to Section 5.

**Note:** The Cover applying to your Pet for your current Policy Period is shown on your Certificate of Insurance. The Cover includes

the Additional Benefits explained in Section 3.1, 3.2, 3.3 and 3.4 on pages 44 to 46, and if your Pet is a Registered Guide Dog, the benefits explained in Section 3.5 on page 46.

**Cruciate Ligament Condition** means partial or complete rupture of the cruciate ligament(s). This includes meniscal tears, any looseness of the cruciate ligaments along with any complications following Treatment for this Condition.

A Cruciate Ligament Condition is considered a single Condition irrespective of whether one or both legs are affected (please refer to the definition of 'Bilateral Condition' and 'Benefit Limit(s) and Sub-limit(s)' definitions on pages 33 to 34).

**Elective Treatment** means a Treatment or surgery that is beneficial to your Pet but is not essential for your Pet's survival or does not form part of the Treatment for a Condition. Refer to 'Section 5 - General Exclusions (what we do not cover)' on page 50.

**End Date** means 11:59pm on the date upon which your policy terminates and benefits cease. Unless otherwise specified, this relates to the End Date of your Current Policy Period.

**Note:** The End Date is shown on your Certificate of Insurance. If the policy is cancelled, then the date of cancellation will be deemed to be the End Date.

**Excess** means the first amount of a claim we do not pay and which you are required to pay yourself as shown on your Certificate of Insurance.

**Note:** The Excess is deducted from your benefit for each Condition treated during the Policy Period that is not related to any other Condition treated during the same Policy Period. Refer to page 61 for an example of how claim payments are calculated.

**First Policy Period** means the time during which we first provided Cover to you.

**GST** means the Australian Goods and Services Tax at the officially published tax rate.

**Illness** means a sickness or disease which:

- is not included under Specified Accidental Injury Cover; and
- is independent of any Pre-existing Condition.

**Pet** means the cat or dog, including any Registered Guide Dog covered under the policy and named on your Certificate of Insurance.

**Policy Period** means the time during which we provide Cover as specified on your Certificate of Insurance.

**Pre-existing Condition** means a Condition that existed or occurred prior to the Commencement Date of the First Policy Period or within

any applicable Waiting Period, of which you or your Vet were aware or a reasonable person in your circumstances would have been aware, irrespective of whether the underlying or causative Condition has been diagnosed. A Pre-existing Condition also includes a Related Condition or Bilateral Condition of a Pre-existing Condition.

After the end of any applicable Waiting Period, a Condition will no longer be considered a Pre-existing Condition if it is a Temporary Condition that:

- has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date (please refer to the definitions of 'Temporary Condition', 'Chronic Condition' and 'Cruciate Ligament Condition'); or
- we have agreed in writing will not be a Pre-existing Condition, following a Pre-existing Condition review (please refer to the terms of a Pre-existing Condition review on page 52).

**For example:** Six weeks prior to the Commencement Date of the First Policy Period, you notice your Pet has a Condition involving limping on its left back leg and you take it to the Vet. Your Vet prescribes anti-inflammatory medication. 12 weeks after purchasing a policy the limping is diagnosed as degenerative joint

disease. The Condition would be a Pre-existing Condition and excluded from Cover, notwithstanding that the diagnosis was not provided until after the Commencement Date.

**Registered Guide Dog** means a dog supplied by a Guide Dogs Australia state member organisation to a person for the purpose of mobility support or other reason.

**Related Condition** means a Condition that results from the same disease process, arises as a consequence of or has the same diagnostic classification as another Condition, regardless of the number of areas of your Pet's body affected.

**For example:**

1. If your Pet suffers from arthritis in its legs, all future occurrences of arthritis (e.g. in the back or neck) will be Related Conditions.
2. If your Pet suffers from diabetes and then develops a cataract as a consequence of the diabetes, the cataract will then be a Related Condition.
3. If your Pet suffers from a skin hotspot, then later suffers from ringworm on its skin, these are not Related Conditions, as the ringworm is not as a consequence of the hotspot, nor do they follow the same disease process or diagnostic classification.

**Routine Care** means certain preventive healthcare Treatments for your Pet listed on your Certificate of Insurance. If you have this cover, the

list of allowable Treatments and the Benefit Limits applicable to these, are shown on your Certificate of Insurance.

### **Specified Accidental Injury**

means physical harm or injury arising from an Accident that is a consequence of or results in one of the following:

- motor vehicle incident;
- a burn or electrocution;
- an allergic reaction to insect and arachnid bites;
- a bone fracture;
- a snake bite toxicity;
- a traumatic ligament or tendon injury;
- a bite wound or fight wound abscesses; or
- lacerations or abrasion of tissue, skin or mucous membrane due to external violence.

See 'Section 2.1 – Specified Accidental Injury Cover' on page 40 for more information.

**Temporary Condition** means a Condition which normally resolves with Treatment, other than:

- Cruciate Ligament Conditions;
- intervertebral disc disease;
- hip dysplasia;
- elbow dysplasia;
- patella luxation;
- endocrine diseases; and
- any other Chronic Condition.

This definition is relevant to determining whether a Condition is a Pre-existing Condition (please refer to the definition of 'Pre-existing Condition').

**For example:** Your Pet has dietary related gastroenteritis prior to the Commencement Date of the First Policy Period that is resolved with medication. Your Pet does not suffer any further instances of dietary related gastroenteritis until three years later, when your Pet suffers another gastroenteritis episode. This Condition would be a Temporary Condition which has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to the second gastroenteritis episode, so would not be a Pre-existing Condition and would be coverable subject to your policy terms and conditions.

**Third Party Liability** means a benefit as defined in Section 3.5 on page 46, and that only applies in relation to policies where the Pet is also a Registered Guide Dog.

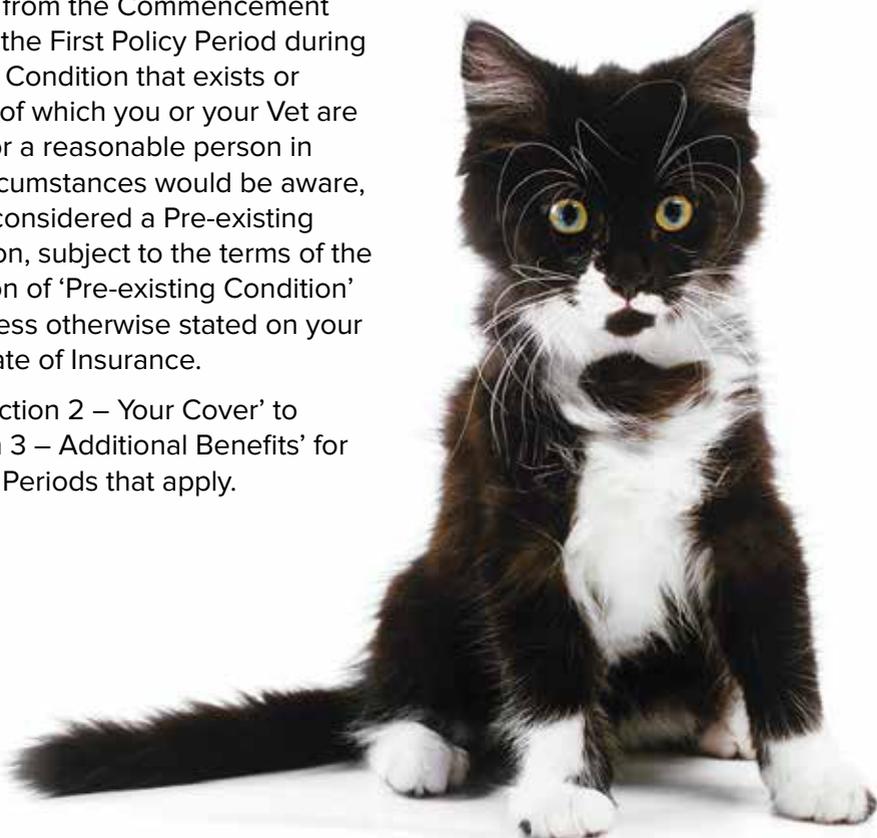

**Treatment** means reasonable and customary examinations, Consultations, hospitalisation, surgery, x-rays, medication, diagnostic tests, nursing and other care and procedures provided by a Vet to relieve or cure a disease, Illness or Specified Accidental Injury during the Policy Period.

**Vet** means any veterinarian, veterinary specialist, animal hospital, animal clinic, or animal surgery, other than yourself, who is licensed in and currently registered in Australia (with the exception of additional benefits provided under 'Section 3.4 – Pet Overseas Travel Insurance').

**Vet Expenses** means the reasonable and essential expenses incurred and paid in respect of Treatment provided by a Vet during the Policy Period, having regard to the circumstances in which the Treatment was provided.

**Waiting Period** means a period starting from the Commencement Date of the First Policy Period during which a Condition that exists or occurs, of which you or your Vet are aware or a reasonable person in your circumstances would be aware, will be considered a Pre-existing Condition, subject to the terms of the definition of 'Pre-existing Condition' and unless otherwise stated on your Certificate of Insurance.

See 'Section 2 – Your Cover' to 'Section 3 – Additional Benefits' for Waiting Periods that apply.

## ▶▶ Section 2 - Your Cover

- b. you receive written notification from us confirming our agreement to waive this Waiting Period following our assessment of the information provided on the 'Cruciate Ligament Exam Form'.

### **When you are not covered**

### What you are covered for

We will cover you for your legal liability to pay compensation as a result of an Accident caused by your Registered Guide Dog, that occurs during the period of insurance, which causes death or bodily injury to another person or loss or damage to another person's property (subject to the exclusions outlined under 'When you are not covered' in 'Section 2.1 – Specified Accidental Injury Cover' on page 40 and 'Section 2.2 – Illness Cover' on page 42, 'Section 5 – General Exclusions' on page 50 and 'Important conditions of Cover' on page 48). If we agree to pay your claim under this section, we will pay the costs of compensation awarded by an Australian court or a settlement agreed to by us. We will also pay the reasonable legal fees and expenses we incur on your behalf or that you incur with our prior written consent.

The most we will pay is \$1 million in total under this or any other policies you have with Hollard.

This amount includes all legal costs and expenses incurred with our consent or which you have a legal liability to pay arising from the claim. We will apply an Excess to each and every legal liability claim for property damage as shown on your Certificate of Insurance.

Third Party Liability Cover is offered on an annual basis. Renewal of this Cover is not guaranteed for the life of your Pet. Each year we will decide if we will continue to renew this Cover with you and on what terms. If we decide not to offer renewal, we will advise you at least 14 days before this Cover expires.

It is also important that you understand that Cover will cease immediately, from the date the Registered Guide Dog has been declared dangerous by a competent Australian authority.

## 8.2 How to make a claim

Should you need to submit a claim, your Vet may be able to do this for you electronically, at the time of your visit. If you elect to have your Vet submit your claim on your behalf, we will still communicate with you regarding the status of your claim.

If submitting a claim by post all claim documentation must be originals and must be accompanied by a completed claim form.
2. Incomplete claim forms will be returned to you and this may result in a delay in processing your claim. We recommend that you retain copies of all documentation for your records.
3. When submitting a claim, please include all relevant invoices and clinical records from your Vet. Please note:
  - a. In some instances, we may require more information to process your claim, such as previous medical history or pathology/ laboratory results. If this is the case, we will contact you for this information.
  - b. There may be also scenarios where we request additional veterinary history from current or previous Vets (such as if there is a large history gap) to ensure we have all relevant clinical information for your Pet.
- c. For adopted Pets, veterinary history is only required from when you took ownership. If you can provide us with proof of adoption or transfer of ownership papers, we will only request veterinary history from the date you took ownership onwards.
4. All accounts must be paid in full prior to submission of your claim (unless you are submitting a claim using our GapOnly™ claim system (where available), whereby you agree that you will pay the Vet the remaining portion of the tax invoice (if any) after the claim payment (if any) is made by us to your Vet).
5. You agree that your Vet (current or previous) or any other service provider that provided Treatments to your Pet is authorised to release information and/or records to us about your Pet.

6. Where a Vet submits a claim on your behalf, you agree that the Vet is able to view the outcome and status of that claim and previous claims (where applicable).
  7. You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.
  8. We will not reimburse you for the provision of any information required in the purchase and administration of the policy nor for the assistance provided to you in the completion of any forms relating to the policy including the provision of any information in relation to a claim made under this policy.
3. If the Vet Expenses are excessive, unreasonable or significantly higher than other Vet Expenses in a similar situation, then claim payments may be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition, for a Pet in similar circumstances.
  4. We will send you a letter/ remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
  5. If you submit a fraudulent claim or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied, and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims.

## 8.4 Processing of your claim

1. We will deal directly with you regarding settlement of the claim. Where available, where our GapOnly™ claim system is used by your Vet to submit your claim, we will also provide information to your Vet about the settlement of your claim.
2. Unless we agree otherwise, we will pay you, not the Vet. Where available, where our GapOnly™ claims system is used by your Vet to submit your claim, we will provide payment of your claim directly to your Vet.
3. If the Vet Expenses are excessive, unreasonable or significantly higher than other Vet Expenses in a similar situation, then claim payments may be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition, for a Pet in similar circumstances.
4. We will send you a letter/ remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
5. If you submit a fraudulent claim or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied, and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims.
6. When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.
7. In the event that we pay a benefit contrary to the Policy Terms and Conditions for whatever reason, this will not constitute a waiver retrospectively as they stand to any paid claims or to any

future claims for that or any Related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.

8. You agree that we have the right to decline to process a claim where you or your Vet refuse or are unable to provide information reasonably requested by us in order to process your claim.

### 8.5 Examples of how we settle your claim:

The following calculations provide examples of how claims will be settled where Cover is provided (these examples are indicative of the manner of calculation only and include GST):

Benefit Reimbursed	\$1,500

#### Example 2

80% Benefit Percentage with \$50 Excess	
Total amount of eligible expenses paid by you to the Vet	\$2,000

## 8.7 Other insurance arrangements

If we accept your claim and there is any other similar insurance under which you are entitled to claim, you are required to advise us at the time you submit your claim if you hold such other insurance. Total benefits paid to you across all insurance cannot exceed your actual expenses.

## Section 9 - Fraud

It is unfortunate that with all types of insurance, fraud and attempted fraud can occur. We employ sophisticated fraud detection and prevention techniques to ensure we only pay out on genuine claims. By doing this we are protecting the interest of all policyholders and are able to offer a comprehensive policy with competitive premiums.

You must not act in a fraudulent manner. If you or anyone acting for you:

1. Make a claim under the policy knowing the claim to be false or fraudulently exaggerated in any respect;
2. Make a statement in support of a claim knowing the statement to be false in any respect;
3. Solicit your Vet to behave in a fraudulent manner regarding a claim;
4. Submit a document in support of a claim knowing the document to be forged or false in any respect; or
5. Make a claim in respect of any loss or damage caused by your wilful act or with your connivance.

Then:

1. We shall not pay the claim;
2. We shall not pay any other claim which has been or will be made under the policy;
3. We may at our option cancel the policy;
4. We may at our option cancel any other pet insurance policies you hold which are issued by Hollard;
5. We may be entitled to reclaim any payments already made to you in respect of such claims;
6. We may not make any refund of premium already paid;
7. We may inform the police of the circumstances; and
8. We may pursue legal proceedings.

## ▶▶ Section 10 - Direct Debit Request Summary

When you provide us with your bank details, you are instructing us to directly debit the relevant premiums calculated by us from your nominated account.

If your premium cannot be paid (for example there is not enough money in your nominated account) your bank may dishonour that payment, and you may be charged a dishonour fee by your bank.

Neither Hollard, GFS, Guide Dogs nor PetSure will be responsible for dishonour fees charged by your bank or financial institution.

If your direct debit is dishonoured we will automatically retry for the outstanding amount within 14 days, and you may be charged a dishonour fee by PetSure.

If you have concerns about the operation of the direct debit authority or you subsequently need to change any aspects of the authority, please notify us.

Waiting Periods already served will not reapply, unless there has been a break or a lapse in Cover. Please note that Waiting Periods for Conditions or items that were not covered under your previous policy will apply to your new level of Cover.
2. You cannot change your level of Cover in a Policy Period if a claim has been paid. To change your level of Cover after a claim has been paid, you will need to wait until your next renewal.

**GFS** is an Australian Financial Services Licensee (AFSL 343079) authorised to provide advice and deal in relation to all general insurance products. GFS does not act for you and does not provide personal advice about Guide Dogs Pet Insurance. GFS is not the insurer.

**Hollard** is an Australian Financial Services Licensee (AFSL 241436) authorised to provide advice and deal in relation to all general insurance products. Hollard is the insurer and issuer of Guide Dogs Pet Insurance policies. In providing the financial services set out in this FSG, Hollard does not provide personal advice and does not act for you. Only Hollard can issue, vary and cancel Guide Dogs Pet Insurance policies, which it does through an arrangement with PetSure, explained below.

**PetSure**, a subsidiary company of Hollard, is an Australian Financial Services Licensee (AFSL 420183) and is authorised to deal in and provide general advice on general insurance products. It administers pet insurance policies on behalf of the insurer Hollard and determines, on behalf of Hollard, whether a policy can be issued to you by Hollard. PetSure has been given a binding authority by Hollard which authorises it to enter into, vary and cancel these policies on behalf of Hollard as if it were Hollard. PetSure's authority is subject to the limits of authority agreed with Hollard.

PetSure has also been appointed by Hollard as its agent to manage, administer and settle claims made under Guide Dogs Pet Insurance policies. This means PetSure makes decisions about claims on behalf of Hollard. In providing the financial services set out in this FSG PetSure does not provide personal advice and does not act for you.

**Guide Dogs** is an Authorised Representative (AR 1259160) of GFS and is authorised to promote Guide Dogs Pet Insurance policies which are issued by Hollard. Guide Dogs does not act for you or provide personal advice.

## Compensation Arrangements
