

## Target Market Determination: Guide Dogs Pet Insurance

### Product Name

Guide Dogs Pet Insurance – Basic, Comprehensive and Premium Cover  
Product Disclosure Statement (**PDS**) dated 13 September 2021.

### What is a Target Market Determination?

This Target Market Determination (**TMD**) sets out the class of customers the product has been designed for and is suitable for. It sets out the target market for the product, conditions and restrictions placed on its distribution, events and circumstances that would reasonably suggest that the TMD is no longer appropriate and review periods and reporting obligations for the TMD.

This TMD does not provide any financial product advice on the product and does not take into consideration the objectives, financial situation and needs of individual customers.

The terms and conditions of the product are set out in the PDS. This TMD does not form part of the insurance contract and is not a summary of the product's terms and conditions. Customers should review the PDS before making any decision in relation to the product.

Any terms used in this TMD that are defined in the Corporations Act 2001 (Cth) have the same meaning as in that Act.

This TMD is available to any person at [www.guidedogsinsurance.org.au](http://www.guidedogsinsurance.org.au)

**Effective date of this TMD:** 05 October 2021

## Product description and key attributes

The product has been designed for people who want different choices of cover towards eligible veterinary expenses experienced by pet cats or dogs. The product has 3 levels of cover. These are briefly described below:

	Basic Care	Comprehensive Care	Premium Care
<b>Cover Type</b>	Cover for both specified accidental injuries and illnesses		
<b>Benefit Percentage</b>	Up to 75% of eligible vet bills	Up to 80% of eligible vet bills	Up to 85% of eligible vet bills
<b>Annual Benefit Limit</b>	Up to \$15,000 per year	Up to \$15,000 per year	Up to \$20,000 per year
<b>Sub-limits</b>	Some condition related sub-limits apply to conditions such as tick paralysis and cruciate ligament surgery		
<b>Option(s)</b>	Nil	Nil	Routine Care

Other key attributes of this product include:

- Third Party Liability Cover for validated Guide Dogs. The claim benefit limit is \$1 million and there is a \$500 excess per property damage claim;
- this product does not intend to provide comprehensive cover for any preventative care costs and general pet maintenance costs like grooming and pet food;
- this product cover is subject to annual limits, sub-limits, terms, conditions and exclusions. Examples of key exclusions include waiting period exclusions at the inception of a new policy and coverage exclusions for chronic pre-existing conditions.

## Likely objectives, financial situation and needs of customers in the target market

The likely objectives, financial situation and needs of customers in the target market is contribution towards eligible veterinary expenses, to help ensure their pet can receive appropriate treatment and to reduce the cost to the customer of that treatment.

## Target market for the product

The overall target market for the product applies to all levels of covers available. Each level of cover also has its own target market within the overall target market.

<b>Who this product may be suitable for</b>	<b>Who this product may not be suitable for</b>
<p>A person is in the target market for this product if they:</p> <ul style="list-style-type: none"><li>• have a domestic dog, cat or hybrid that is legally available in Australia;</li><li>• want cover towards the costs associated with specified accidental injuries that their pet may experience, such as injury suffered as a result of a motor vehicle accident, burn or electrocution and traumatic ligament or tendon injury; and</li><li>• a degree of financial cover for costs associated for treating a range of illnesses, such as cancer treatments and other temporary and chronic conditions; or</li><li>• have a registered guide dog and want cover for death or bodily injury to another person or loss or damage to another person's property caused by their registered guide dog.</li></ul>	<p>A person will not be in our target market if they:</p> <ul style="list-style-type: none"><li>• have a pet which has sustained chronic pre-existing conditions which are likely to require ongoing veterinary treatment and the customer is seeking coverage for these treatment costs; or</li><li>• want to cover the costs of treatment for illnesses or accidents not covered by this policy, or other maintenance costs associated with pet ownership.</li></ul>

## Target market for each level of cover

In addition to the overall target market, these additional parameters apply based on the level of cover chosen.

### Basic Care (specified accidental injury and illness)

Who this level of cover may be suitable for	Who this level of cover may not be suitable for
<p>A person is in our target market for this level of cover if they want:</p> <ul style="list-style-type: none"><li>• a degree of financial cover for costs associated for treating a range of illnesses, such as cancer treatments and other temporary and chronic conditions; and</li><li>• 75% of their eligible veterinary expenses covered up to \$15,000 per policy period.</li></ul>	<p>A person will not be in our target market for this level of cover if they:</p> <ul style="list-style-type: none"><li>• do not want sub-limits to apply for treatment for tick paralysis or cruciate ligament conditions.</li></ul>

### Comprehensive Care (specified accidental injury and illness)

Who this level of cover may be suitable for	Who this level of cover may not be suitable for
<p>A person is in our target market for this level of cover if they want:</p> <ul style="list-style-type: none"><li>• a degree of financial cover for costs associated for treating a range of illnesses, such as cancer treatments and other temporary and chronic conditions; and</li><li>• 80% of their eligible veterinary expenses covered up to \$15,000 per policy period.</li></ul>	<p>A person will not be in our target market for this level of cover if they:</p> <ul style="list-style-type: none"><li>• do not want sub-limits to apply for treatment for tick paralysis or cruciate ligament conditions.</li></ul>

### Premium Care (specified accidental injury and illness)

Who this level of cover may be suitable for	Who this level of cover may not be suitable for
<p>A person is in our target market for this level of cover if they want:</p> <ul style="list-style-type: none"><li>• a degree of financial cover for costs associated for treating a range of illnesses, such as cancer treatments and other temporary and chronic conditions; and</li><li>• 85% of their eligible veterinary expenses covered up to \$20,000 per policy period.</li></ul>	<p>A person will not be in our target market for this level of cover if they:</p> <ul style="list-style-type: none"><li>• do not want sub-limits to apply for treatment for tick paralysis or cruciate ligament conditions.</li></ul>

## Option: Routine Care

Who this option may be suitable for	Who this option may not be suitable for
<p>A person is in the target market for this option if they:</p> <ul style="list-style-type: none"><li>• want a limited amount reimbursed for specified preventative treatments and ownership costs like desexing, microchipping or heartworm control.</li></ul>	<p>A person will not be in the target market for this option if they:</p> <ul style="list-style-type: none"><li>• do not want reimbursement for these specified preventative treatments and ownership costs.</li></ul>

## Consistency between the product and target market

This product will likely meet the likely objectives, financial situation and needs of the target market because it addresses the needs of customers in the target market to reduce the costs of eligible veterinary expenses.

## Distribution conditions

This product is distributed through:

- visiting the website of Guide Dogs Pet Insurance; or
- calling the contact centre of Guide Dogs Pet Insurance; or
- visiting the website or calling the contact centre of a Guide Dogs Pet Insurance authorised distribution partner.

All enquiries made online use a quotation tool which ask the customer to answer a series of questions before finalising a quote. Customers seeking a quote via the phone will be asked a series of questions from a system-based script by a trained operator. The response to these questions will determine if the customer meets our eligibility criteria, which align with our description of the target market set out above. A sale will not progress if these eligibility criteria are not met.

All call centre representatives are provided with adequate training and their sales are routinely monitored by us to ensure that they sell the product only to customers who are in our target market.

We also have arrangements in place with Greenstone Financial Services Pty Ltd (ABN 53 128 692 884, AFSL 343079) (GFS), which in turn has arrangements in place with the Royal Guide Dogs Australia for ensuring that the product is distributed in accordance with this TMD.

## Reviewing this document

### Periodic review

We will review this TMD within 24 months from its commencement date and subsequently every 24 months thereafter.

### Review triggers

We will also review this TMD if there are events or circumstances that reasonably suggest that the TMD is no longer appropriate. The triggers for this review may arise from:

- any material changes being made to the product coverage, pricing methodology, underwriting or eligibility criteria or its method of claims assessment and settlement;
- any material changes to methods of distribution;
- changes in law or regulatory guidance or industry code which may materially affect the terms of cover or distribution or regulatory feedback or concerns raised to suggest the TMD may no longer be appropriate;
- identification of systemic issues and findings, produced from quality assurance or governance processes, that may indicate an issue with the product or the appropriateness of the TMD;
- any occurrence of a significant dealing outside of the target market;
- compliance incidents and breaches that may indicate an issue with the product and the appropriateness of the TMD; or
- material deviations developing in the customer value metrics that track:
  - financial performance of the product;
  - product desirability;
    - benefit attained from the product by customers;
    - overall claims experience;
    - number and type of complaints received; and
    - customer feedback received.

## Reporting

Distributors of this product are required to report the following information to us within the time specified below:

Information	Reporting period
Actual or potential significant dealings of the product outside of the target market	As soon as practicable and in any event within 10 business days of first becoming aware
Actual or potential issue of the product in breach of distribution conditions or outside of the target market	As soon as practicable and in any event within 10 business days of first becoming aware
Number and details of all complaints received	Within 10 days at the end of each quarter
Sales and marketing data, including but not limited to, quotes and sales made, promotions applied, cancellation of cover information	Within 10 days at the end of each quarter
Any data that we do not hold and is requested by us in writing that allows us to monitor customer value metrics as described in "Reviewing this document"	Within 10 days at the end of each month
